ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf

of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published*. Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. 78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill dur-

ing its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

## DOMINION ORDERS IN COUNCIL.

P.C. No. 202.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 9TH FEBRUARY, 1929.

THE Committee of the Privy Council have had before them a report, dated 4th February, 1929, from the Minister of the Interior, submitting that by Order in Council of the 18th June, 1925, the Abernethy-Lougheed Logging Company, Limited, which is conducting extensive operations in the vicinity of Stave Lake, in the Railway Belt, in the Province of British Columbia, was granted per-

mission to export certain cedar timber for a period of six months; that owing to a congested state of the cedar market several extensions of time have been granted by Orders in Council to the aforementioned Company to continue exporting, the last extension having been authorized by Order in Council dated the 10th September, 1928, for a period of six months from the 22nd July, 1928, and whereby the timber exported was subject to the payment of increased rates of dues at \$3 per thousand feet B.M. on logs grading No. 1, \$2.50 per thousand feet B.M. on logs grading No. 2, and \$2 per thousand feet B.M. on logs grading No. 3, which dues are in excess of those charged under the regulations governing the disposal of timber cut from licence berths on Dominion Lands.

It has been represented that this export privilege continues to be a benefit not only to the Company but is also working out to the satisfaction of the local timber merchants, as it enables a large quantity of low-grade cedar to be taken from the booms which is not in demand locally, and such action also encourages the logging of a good deal of timber that would otherwise be unmerchantable.

The Minister, therefore, being satisfied that the applicant is not taking any undue advantage of or endeavouring to exploit an export trade to the detriment of the local mills, believes it to be in the public interest, and recommends that a further extension of six months from the 22nd January, 1929, be granted the Company to export cedar logs, subject to the payment of dues as authorized by Order in Council of the 10th of September last; the operations to be subject to such conditions as he may determine and the mills in the district to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

To the Honourable  
The Minister of the Interior. 6254-fe21

P.C. No. 180.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 6TH FEBRUARY, 1929.

THE Committee of the Privy Council have had before them a report, dated 31st January, 1929, from the Minister of the Interior, submitting that it is expedient to obtain and include in the grounds of the Astrophysical Observatory at Victoria, British Columbia, two small parcels of land, containing together about three and a half acres, lying between the present grounds and a loop of the Observatory Road.

A proposal has been made by outside persons to obtain these lands for purposes of establishing a refreshment pavilion, which would result in much of the timber being cut. The presence of the timber is an aid in effecting good observing conditions, while the bright lights of a pavilion and the holiday-makers that will, no doubt, be attracted will prove a detriment to the work of the Observatory, and it is advisable that conditions should remain as at present.

The land is owned by Mr. A. C. Bobbott, who has agreed to convey these properties to the Crown in exchange for a small triangular outlying strip of land, containing about one acre of little value, and a cash consideration of \$300.

The proposed arrangement with Mr. Bobbott has been recommended by an officer of the Crown who has inspected the properties.

The Committee, on the recommendation of the Minister of the Interior, advise that the exchange be made as stated.

Clerk of the Privy Council.
